<b>Description</b>			
Per quanto mi riguarda, in openportal mancano alcuni articoli dell'anno 2018 che sono invece presenti su people.			

#### History

The **publications 2018** deposited in People for Luigi Malomo (@luigi.malomo@isti.cnr.it) that are not collected by Open Portal are the following 2:

- The EMOTIVE Project - Emotive virtual cultural experiences through personalized storytelling <https://intranet.cnr.it/servizi/people/prodotto/scheda/i/398953>
  - This **lacks the "Strutture CNR" part**, i.e. the authors have not submitted them by indicating ISTI.
- Reconstructing Power Lines from Images <https://intranet.cnr.it/servizi/people/prodotto/scheda/i/398479>
  - This has a **problematic information in "Strutture CNR"** ... there is the DIITET rather than ISTI;

I kindly ask @silvia.giannini@isti.cnr.it to correct the metadata of these 2018 publications. Moreover, for the second publication, I would encourage the authors to liaise with our Library staff to deposit an open access version of it.

Please, do notice that there are two **2019 papers** that are problematic too:

- Mill and Fold: Shape Simplification for Fabrication <https://intranet.cnr.it/servizi/people/prodotto/scheda/i/401207>
  - **no ISTI in "Strutture CNR"**
- SOROS: Sciadro Online Reconstruction by Odometry and Stereo-Matching <https://intranet.cnr.it/servizi/people/prodotto/scheda/i/400516>
  - **no ISTI in "Strutture CNR"**

These should be fixed too.
