Description

The **Identify** verb response <https://openportal.isti.cnr.it/oai?verb=Identify> need to be revised as follows:

- **repositoryName** should be "ISTI Open Portal" rather than "D-NET Service for supporting Open Archive Initiative requests"
- **baseURL** should be the official one "<https://openportal.isti.cnr.it/oai>" rather than "<http://dnet-openportal.isti.cnr.it/is/mvc/oai/oai.do>"
- **adminEmail** should be "openportal@isti.cnr.it"

The **ListSets** should contain only one set, i.e. the ISTI set, or one set per Lab. It currently contains one set per CNR institute.
