Description			
I just realised the page			
https://openportal.isti.cnr.it/support/about			
contains several broken links (resulting from the new ISTI website). All the links in the working group area are broken, e.g.			
this link https://www.isti.cnr.it/about/people.php?id=58			
should be https://www.isti.cnr.it/en/about/people-detail/66/Leonardo_Candela
