<b>Description</b>			
It will be great if we could animate the numbers in the home with a sort of count up effect. There are plenty of solutions for this, e.g. <a href="https://inorganik.github.io/countUp.js/">https://inorganik.github.io/countUp.js/</a>			
Eg we have implemented it in the D4Science website <a href="https://www.d4science.org/">https://www.d4science.org/</a> and I really like it
