@gabriele.giammatteo@eng.it @mariaantionietta.digirolamo@eng.it can you help me to solve it?

The age field cannot empty in ETICS configuration. In this case , I filled the age field with 0 in the ETICS configuration. Now, build is ok : http://etics.esl.eng.it/etics-repository-ws/reports/id/e2ec2d08-1749-46cb-8816-fd555acaeba4/centos6.8_x86_64_gcc447/-/reports/build-status.xml. Please , I kindly ask you to verify that everything it's ok.
