#### #3 - Nov 08, 2016 03:23 PM - Massimiliano Assante

Also the Geo analytics Admin portlet has been deployed in production, however since I'm not sure where to make it available @[p.koltsida@di.uoa.gr](mailto:p.koltsida@di.uoa.gr) please add it where necessary

#### #4 - Nov 08, 2016 03:58 PM - Panagiota Koltsida

This does not affect the portlet, but we will remove it in the next release to avoid these errors. Yes, I will deploy the admin portlet.
