Produce a webinar of Techno-economic analysis VRE

Mar 17, 2017 10:55 AM - George Kakalettris

Status:	Closed	Start date:	Mar 17, 2017
Priority:	Normal	Due date:	Mar 24, 2017
Assignee:	Charalampos Dimitrakopoulos	% Done:	100%
Category:	Default	Estimated time:	0.00 hour
Sprint:	WP06		
Infrastructure:	Pre-Production		

Description

Two options exist:

1. A short screen-capture with voice overlay. (Preferable)
 - [@p.koltsida@di.uoa.gr](mailto:p.koltsida@di.uoa.gr) may provide some info on how this can be accomplished with open source tools.
 - Video shall be placed on the workspace, but the intention is to publish it on YouTube under project's & creator's channels.
2. A running PowerPoint presentation with screenshots and text balloons describing the actions on screenshots.

As the webinar will become freely accessible, its content should be not exposing any confidential VRE data.
