History

#1 - Jun 06, 2017 04:32 PM - Massimiliano Assante

- Copied from Support #8808: Enable RStudio service in D4Research/ICES_IntroStockAssessment added

#2 - Jun 08, 2017 12:45 PM - Massimiliano Assante

- % Done changed from 0 to 50
- Assignee changed from Massimiliano Assante to Anna Davies
- Status changed from New to Feedback

We enabled 2 instances of RStudio for the moment in the VRE. Once feedback is given by @anna.davies@ices.dk and / or the instructors of the course we can allocate more (if needed).

here the link to RStudio in the VRE:

https://bluebridge.d4science.org/group/ices_abundanceestimationfromacoustic/rstudio
